

QUICK **CURLING**

Teams

- Teams of 3, each player delivers 2 stones.
- Players rotate position after every end. Lead to second, second to skip, skip to lead.

Scoring

- Maximum score of 2 points per end, except for the last end, which has no maximum score.

Time

- 55 minute game clock. When the clock runs out, if one team have played more stones than the other, 1 more stone is played to even things out. The end is then scored.

Rules

- No stone can be removed from play until the second players first stone.
- Players continue to deliver the stones they started the game with.
- Normal sweeping rules apply (but see covid rules below).
